Date: Friday, February 25, 2022 6:31:18 PM

Hi Tyree,

Per Part I Condition 2 of Imperial's Type B Water License (MV2021L1-0009) regarding the submission of a final Closure and Reclamation Plan three years prior to the expiry of this Licence or a minimum of two years prior to the end of operations, I am writing to confirm that the current C&R plan for the re-abandonment is unlikely to have significant updates, as such the current plan is final and there are no further changes.

Please let me know if you require any additional information.

Thanks,

Esther Choi, E.I.T. (she/her)
