**RE: Order to complete the Reclamation Program at Tree River C-36 (Permit No: G02A011) and Thunder River N-73 (Permit No: G02A013)**

Thank you for your letter dated July 31, 2012 with regard to an extension request of the above noted order. After careful review, Aboriginal Affairs and Northern Development Canada (AANDC) are prepared to grant an extension to Chinook Energy Inc. until **midnight on September 30, 2013** to complete the reclamation activities.

AANDC is in the view that an extension date of September 30, 2013 is sufficient and will allow for Chinook Energy Inc. to complete the reclamation activities.

If you have any questions or concerns please contact me.

Respectfully,

Jozef Carnogursky  
Resource Management Officer (Inspector)
