Dear Sir/Madam;

Date: January 17, 2005

The Gwich'in Land and Water Board received the following complete land use permit application from Northwestel (West Delta) and deemed it complete. The applicant will be carrying out Winter Road construction and a site clean up operation over the next 12 – 18 Months. The proposed land use will take place within the community boundary of Tsiigetichic. The community of Tsiigetichic is a Charter Community therefore the GLWB will be issuing the land use permit.

We have attached all documents and maps to this message for your review.
