Re: Notice of impending expiry of Land Use Permit G11Q001 – Quarrying at km 251

Mr. Gully,

Our records indicate that Land Use Permit G11Q001 is due to expire on March 31, 2014. Section 26(6) of the Mackenzie Valley Land Use Regulations allows for an extension of a permit, by written request, for up to two years.

If you intend to continue the quarry operation at km 251 beyond the expiry date, please submit a written request for an extension of the land use permit before March 31, 2014. Please also submit a valid Quarry Authorization from Aboriginal Affairs and Northern Development Canada.

If you have any questions, please contact me at (867) 777-6622 or [h\\_harlander@glwb.com](mailto:h_harlander@glwb.com).

Yours sincerely,

Helga Harlander  
Land and Water Technician
