**Re: Request for Comments – Application to Amend Land Use Permit G14E002
(Re: Off Right of way work, Drainage control and Erosion repair, km 178)**

Dear Sir/Madam

Please be advised that GNWT Department of Infrastructure (INF) has submitted an application to amend Land Use Permit G14E002. The purpose of the amendment is to extend the authorized work area at the km 178 quarry site so that GNWT INF can proceed with erosion repair and drainage control measures in the lands adjacent to the existing operation.

The application proposes to amend Condition 6 LOCATION OF ACTIVITIES as indicated on the attached Draft Land Use Permit

The Gwich'in Land and Water Board is considering this application and appreciates any comments or recommendations from reviewers. The attached application documents are available through the [Online Review System](#), and all documents and decisions pertaining to this file will be maintained on the [GLWB Online Public Register](#), which can also be viewed in person on the second floor of the Alex Moses-Greenland Building in Inuvik. If you would prefer to receive a paper copy or a CD, please let me know and I will forward a copy of the application in the format of your choice.

Comments can be made directly through the Online Review System or submitted to the Board via mail or email. **Please submit your comments on the application in writing by 5:00 pm, Monday October 22, 2018.**

Should you have questions or comments, feel free to contact me by email at amacdonald@glwb.com or by phone at (867) 777-4954.

Sincerely,
