Re: Local Area Monitoring Program 2.1 – Approved

Ms. Campbell,

The Gwich'in Land and Water Board met on May 3, 2018 to review the GNWT Department of infrastructure (INF)'s Local Area Monitoring Plan (LAMP) 2.1, which was submitted March 2018 to fulfill Part B section 7 of Water Licences G15L8-001 and G15L8-002.

The Board has decided that revised LAMP 2.1 has adequately addressed the comments and recommendations received during the public review, is consistent with the Terms and Conditions of INF's Water Licence, and conforms to available guidelines. LAMP 2.1 is thus approved.

If you have any questions, please contact AlecSandra Macdonald at 867-777-4954 or email amacdonald@glwb.com.

Sincerely,

Elizabeth Wright
