Re: Land Use Permit Application G17Q007 (km 66 Stockpile)

Mr. Hossain,

According to our records, The Gwich'in Land and Water Board has not received the access authorization, issued from the GTC Department of Lands and Resources, that is necessary to complete your file. Without the appropriate right of access, as indicated in Section 18 of the *Mackenzie Valley Land Use Regulations*, the GNWT Department of Infrastructure is not eligible for a permit, and as such, the Board is unable to consider your application at this time.

Please feel free to contact me with any questions pertaining to this file.

Sincerely,

Alec Sandra Macdonald
Regulatory Specialist
