Re: Issuance of Type "A" Land Use Permit G17Q007 (km 66 Dempster Highway #8)

Mr. Hossain,

The Gwich'in Land and Water Board has approved the above Land Use Permit application, for hauling, crushing, stockpiling and loading of granular material at km 66 Dempster Highway #8. The Land Use Permit, with attached conditions, has been issued for a term of five years.

Please be advised that a copy of this letter, along with the Land Use Permit, all inspection reports and correspondence related thereto, will be filed in the Public Registry at the offices of the Gwich'in Land and Water Board in Inuvik, NT, as per the Mackenzie Valley Resource Management Act. This is intended to keep all interested parties informed of the manner in which the Land Use Permit requirements are being met.

Attached, for your information, are copies of the letters of advice received from Environment and Climate Change Canada, the Gwich'in Renewable Resources Board, and the Gwich'in Tribal Council Department of Cultural Heritage. Please review these documents as they contain important information regarding requirements under the jurisdiction of these departments.

Please feel free to AlecSandra Macdonald at 867-777-4954 should you have any questions pertaining to this file.

Sincerely,

Paul Sullivan
GLWB Chair

CC: Dan Carmichael – Superintendent – GNWT Department of Lands, Beaufort Delta Region
