Re: Rectification of Clerical Error, Type 'A' Land Use Permit G17X001

Mr. Cournoyea,

Please be advised that the Gwich'in Land and Water Board has corrected Land Use Permit G17X001 to remove the following condition:

- 3 *The Permittee shall not remove vegetation or operate heavy equipment within 100 metres of the Ordinary High Water Mark of any Watercourse.* **WATERCOURSE
BUFFER**

The condition was included as an administrative oversight, and does not reflect the location or scope of the approved land use activities. Please find attached an updated permit for your records.

Should you have questions, please contact AlecSandra Macdonald by email at amacdonald@glwb.com or by phone at (867) 777-4954.

Regards,

Elizabeth Wright,
Acting Chair, Gwich'in Land and Water Board
