Mr. Hossain,

Please be advised that the above Land Use Permit application – which was received by our office on September 21, 2018 – has been deemed complete as of today. Your application will be processed under paragraph 22(1)(b) of the Mackenzie Valley Land Use Regulations (MVLUR).

Within forty-two (42) days of the date of this letter, the Gwich'in Land and Water Board will take one of the following actions:

2. Order, under section 24 of the Mackenzie Valley Resource Management Act (Act), that a hearing be held or further studies or investigations be made respecting the lands proposed to be used in the land-use operation;
3. Refer the Application to the Mackenzie Valley Environmental Impact Review Board (MVEIRB) for an environmental assessment under subsection 125(1) of the Act; or
4. Where a requirement set out in section 61 or 62 of the Act has not been met, refuse to issue a permit.
