Dear AlecSandra Macdonald,

Land Use Permit G18S006 - 2 Year Extension Request

The Government of the Northwest Territories, Department of Infrastructure would like to request a 2 year extension to Land Use Permit G18S006. Geotechnical Investigations for the Hospital have been completed, and this extension would allow the Department to possibly conduct follow-up drilling to investigate freezeback in early 2022. There are no anticipated changes to scope of the permit or management plans for this extension request.

Should you have any questions or concerns regarding the extension request please contact me at 867-767-9048 ext. 32062 or by email at Robin.Ferguson@gov.nt.ca.

Sincerely,

Robin Ferguson
Manager

Department of Infrastructure
