Dear Ms. Bergsma

Please consider this as our annual report as required under Part B Item 1 of our water licence number G99L3-003 under the GLWB.

- A) Attached you will find a copy of our annual consumption of water broken down by month.
- B) There has not been any modifications or major maintenance work carried out.
- C) To date there has not been any spill training or communications exercises carried, however in this current year we are having various training and workshops within our fire department which will include communications and possibility will be working on other topics we can train our staff which may include spill training.

I hope this provides the required information however if you required further clarification please feel free to contact.

Yours truly
