Re: Hamlet of Aklavik Water Licence Renewal

Evelyn,

This is to inform you that the Gwich'in Land and Water Board (GLWB) has received the Hamlet's application to renew water licence G99L3-003, and has deemed it complete. The application will be sent out for review (see attached for letter to review organizations, incl. distribution list) and the GLWB will accept comments on the application until June 12, 2009. We expect to be able to complete the renewal process well before the current licence expires.

Should you have questions, please feel free to contact me via e-mail at h_harlander@glwb.com or by phone at 867-777-7963.

Yours sincerely,

Helga Harlander
Land and Water Technician
