Re: Hamlet of Aklavik Water Licence Renewal

Dear Madam/Sir,

The Hamlet of Aklavik submitted an application for the renewal of municipal water licence G99L3-003 to the Gwich'in Land and Water Board.

You can access the application documents via our website www.glwb.com (Download Applications – Applications 2009 – G99L3-003).

Please note that, due to the physical location of the facilities, there are two separate water licences issued to the Hamlet of Aklavik. The Gwich'in Land and Water Board issues a licence for the withdrawal of water and the Northwest Territories Water Board issues a licence for the deposit of waste. Both licences are due for renewal at this point, and the application materials cover both applications.

Please submit your comments on this application in writing by 5:00 pm Friday June 12, 2009.

Should you require additional time or have questions, please feel free to contact me via e-mail at h_harlander@glwb.com or by phone at 867-777-7963.

Yours sincerely,

Helga Harlander
Land and Water Technician
