Dear Mr. Scott:

Amalgamation of Type B Water Licences

As you are aware, the Wek'èezhìi Land and Water Board (the Board) has proposed the amalgamation of the two Type B water licenses, MV2001L2-0004 and MV2001L2-0008, that allow for the use of water for road watering purposes at the Ekati mine site with the Type A water licenses MV2002L2-0002 and MV2003L2-0013. Written interventions into the matter were requested to be sent to the Board on March 12, 2007. No interventions were received.

Should BHPB wish to provide any further comment on this matter of cancellation of the Type B water licenses please provide this in writing to the Board no later than **March 19, 2007**.

If you have any questions, contact me at (867) 766-7457 or email sbaines@wlwb.ca.

Yours sincerely,
