Dear Mr. Pasowisty:

**Application On Hold Pending Timber Permit Approval
Woods Operation - Fort Resolution**

The Mackenzie Valley Land and Water Board (MVLWB) wishes to inform you that we have received notification, November 4, 2004, from GNWT- Department of Resources, Wildlife and Economic Development (RWED) which indicates that you do not have the required right to the timber resources described in your Land Use Application referenced above.

Therefore subject to Section 18(a)(i) of the Mackenzie Valley Land Use Regulations (MVLUR), your application cannot proceed further in the approval process. Your application will not be processed further until the required timber rights are obtained and evidence of those rights provided to this office.

Upon receipt of a valid RWED Timber Permit to harvest timber as described in Land Use Permit application MV2004Q0041, MVLWB staff will continue to process your application.

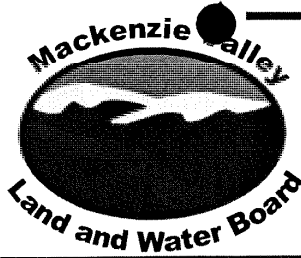

If you have any questions regarding this letter, contact me at (867) 669-0506 or email mvlwbpermit@mvlwb.com.

Yours sincerely,
