Dear Mr. Cuthbert:

**Second Notice - Final Plan Request - Permit #MV2004W0041  
Wood Cutting, Hwy 6, Km 72-km 74**

Our first letter of December 5, 2008 indicated that this Land Use Permit expired on December 15, 2009. Subsection 26(6) of the Mackenzie Valley Land Use Regulations (MVLUR) states that no further extensions of this Permit can be considered. Restoration, clean up, and removal of equipment, materials, buildings, etc. must now be completed.

Section 29 of the MVLUR requires you to submit a final plan with the following content:

1. A map, normally at a scale of 1:50,000, showing your location, area, and distances of all land use operations. Sketches are acceptable, but all maps must have the north indicator, scale, and coordinates clearly marked;
2. A summary of the hectares utilized in each aspect of the land use operation; and
3. A calculation of land use fees.

If you have any questions or concerns, please telephone (867) 669-0506 or email [permits@mvlwb.com](mailto:permits@mvlwb.com).

Yours sincerely,

A handwritten signature in cursive script that reads "Elaine Briere".

Elaine Briere  
Regulatory Officer
