**Subject:** De Beers Gahcho Kue - MV2005C0032/MV2005L2-0015  
**Attachments:** avast info.txt; avast info.htm

Good Afternoon,

De Beers has requested an extension for Information Request #9 (De Beers to provide a Standard Operating Procedure for the placement of construction rock by February 24, 2014) to February 28, 2014, as they are putting together a comprehensive response following a recent meeting with Aboriginal Affairs and Northern Development Canada. As such, the Mackenzie Valley Land and Water Board asks that if reviewers have any concerns with this request, to please respond as soon as possible.

Regards,  
Angela
