Dear Mr. Liu:

**Waste Management Plan - Version 5.5 - Confirmation of Changes**  
**De Beers Canada Inc. – Gahcho Kue Mine**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on April 17, 2019 to review your Waste Management Plan (Plan), Version 5.4, which was submitted under Part G, condition 18 of Licence MV2005L2-0015 and condition 48 of Permit MV2005C0032. The Board's letter dated April 17, 2019 approved your Plan, conditional upon receipt of additional information and written conformity of confirmation from Board staff.

This additional information was received by the Board on April 30, 2019, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the April 17, 2019 letter have been addressed, and the Plan, Version 5.5, is therefore considered approved. Board staff would also like to note that this conformity confirmation is limited to the updates as requested, and as outlined in the Revision History table as provided by De Beers in the Plan, Version 5.5.

If you have any questions or concerns, please contact me at (867) 766-7456 or email [angela.love@mvlwb.com](mailto:angela.love@mvlwb.com).
