Attachments: [MV2005C0032 - MV2005L2-0015 - De Beers Gahcho Kue - ICRP Technical Workshop DRAFT Agenda v.2.pdf](#)

Good Afternoon All,

I've heard back from a number of you and it appears that October 7th was the day that worked for the majority. The venue is still to be decided (somewhere in Yellowknife) and will be provided once confirmed.

As for the agenda, there were only a couple of suggestions received. Please see the revised agenda which is still considered a DRAFT and the times provided are only a guideline (we'll take time where needed).

I'm also asking that all reviewers planning on participating to submit questions of clarification to me by **September 30, 2016** which will help narrow the focus of the workshop so our time can be used wisely.

Thanks,
Angela

Subject: De Beers Gahcho Kué - Interim Closure and Reclamation Plan - Proposed Technical Workshop

Good Afternoon All,

Recently sent out for review on the [ORS](#) was De Beers Gahcho Kué's Interim Closure and Reclamation Plan. Board staff would like to propose a Technical Workshop to allow reviewers the opportunity to ask any questions/seek any clarification prior to submitting comments to the MVLWB (which are currently due October 18, 2016). As such, please submit your answers back to me, by **September 19, 2016**, to the following three questions so we can determine if the Technical Workshop is to go ahead:

1. Would you participate in a Technical Workshop?
2. If yes, which of the following suggested dates would NOT work for you – October 6 or 7, 2016?
3. Do you have any questions/additions on the attached DRAFT agenda?

Thanks,
Angela
