Dear Ms. Chouinard,

**RE: NSMA Request for extension for intervention submission for  
MV2005L2-0015 and MV2005C0032**

Due to capacity issues within the organization we would like to request an extension to allow us until April 8<sup>th</sup> to submit an intervention for the Gahcho Kué Water License and Land Use Permit public hearing.

We believe this extension will provide us the necessary time to review our submission and ensure it is a useful addition to the regulatory process.

Thank you for your consideration.

Sincerely,

Matthew Hoover  
Department of Lands and Environment
