Dear Mr. Covey and Ms. Love

**Re: 10 Day Notification of Construction Commencement as Required by MV2005L2-0015 Part E, Condition 13.**

In reference to Condition 13, Part E, of the De Beers Canada Gahcho Kué Project Water Licence MC2005L2-0015, please accept this 10 day notification of Dyke A construction commencement. De Beers understands that three Management Plans (Construction Water Management Plan, Dyke A Construction and Management Plan, and Erosion and Sediment Management Plan) are still undergoing review by the Mackenzie Valley Land and Water Board. With this 10 day notification in place, commencement of Dyke A construction is scheduled for 17 October 2014 however construction operations will not commence until the Management Plan review process has concluded and Board evaluation received.

The primary contacts for the operations associated with the Permit are as follows:
