**Subject:** RE: GMRP MV2007L8-0031 November 2020 SNP Report; GMRP Response to MVLWB comments on October 2020 SNP Report  
**Date:** Tuesday, January 5, 2021 10:19:00 AM

---

Hi Andrea,

Thank you for the responses on the October SNP comments and submission of the November SNP Report for Licence MV2007L8-0031.

Board staff have only one question on the November Report: Can GMRP explain why there was insufficient volume collected in the autosampler for the Nov 3 sample from SNP43-21?

Thanks,  
Shannon

Good day Shannon

Please find attached the GMRP November 2020 SNP report for MV2007L8-0031, as well as GMRP response to comments on the October 2020 SNP report. The excel data tables for the November SNP report are attached to the PDF.

Please let me know if you have any questions or require further information.

Happy Holidays!

Regards,  
Andrea
