**Re: Giant Mine Remediation Project September Monthly Wildlife and Wildlife Habitat Management and Monitoring Report**

Dear Ms. Allerston

The Giant Mine Remediation Project (GMRP) is pleased to submit a copy of the September 2020 Wildlife and Wildlife Habitat Management and Monitoring Plan (WWHMMP) Report.

This report is intended to fulfill the monthly reporting as outlined in the January 2019 version of the WWHMMP.

Table 1. Monthly WWHMMP Report for the Giant Mine Remediation Project

Report Item	Response Details
Mitigation triggered or new mitigation implemented	GMRP notified GNWT – Environment and Natural Resources (ENR) on September 26, 2020 about a grizzly bear on site. Site personnel adjusted their field work as part of the mitigative measures.
Wildlife Incidents	GMRP notified GNWT – Environment and Natural Resources (ENR) on September 26, 2020 about a grizzly bear on site.
Migratory bird nests observed (and any mitigations implemented)	None observed/reported during reporting period.
Observations of Species of Concern or Species at Risk	GMRP notified GNWT – Environment and Natural Resources (ENR) on September 26, 2020 about a grizzly bear on site.
Waste Management Concerns	There were no waste management concerns relating to wildlife during the reporting period.
Project staff behaviour concerns	None observed/reported during reporting period.
Other pertinent issues related to the protection of wildlife or relevant legislation and regulations protecting wildlife	None during reporting period.
Any reviews of or changes to WWHMMP mitigation	The GMRP is currently reviewing and updating the WWHMMP document for resubmission as directed in the GMRP Land Use Permit MV2019X0007.

If you have any questions or comments, or require additional information, please contact the undersigned by telephone at 867-445-6267 or by email at [Andrea.Markey@canada.ca](mailto:Andrea.Markey@canada.ca).

Sincerely,

A handwritten signature in black ink that reads "Andrea Markey". The signature is written in a cursive style with a prominent loop at the end of the last name.
