Subject: Notification from the Giant Mine Remediation Project
Date: April 4, 2019 11:24:19 AM

The Giant Mine Remediation Project (GMRP) is providing notification that the Type A Water Licence and Land Use Application Package was submitted to the Mackenzie Valley Land and Water Board (MVLWB) on April 1, 2019.

The documents of the application package are identical to those provided by the GMRP in February 2019 for advance review (i.e., no changes were made to these documents) with one exception – Appendix B: Commitments Table has been added to the Updated Project Description. This table was identified as needing to be provided with the final application package back in February 2019.

Four additional documents that were not provided for advanced public review were also submitted to the MVLWB on April 1, 2019:

- Cover letter
- Water Licence application form
- Land Use Permit application form
- Bibliography of references cited in application documents

The submission of the application package to the MVLWB initiates the formal Board process, which will be managed by the MVLWB through the Online Review System (ORS) and Public Registry. The GMRP will respond to comments through the MVLWB process and will no longer be directly accepting comments on the application documents. Organizations and members of the public should contact the MVLWB with any questions on how the formal process works and how to be involved.

References that are cited in the various application documents, but were not submitted as Supporting Documents to the Water Licence application package, have been made publically available in a Reference Library folder on the GMRP Sharepoint site -

https://pspcspacrpbi.sharepoint.com/:f:/s/GiantPublic/Ei1YtKH3GfVBkykOH3X8_LsBkjkNpHB8Ents8Zgrwh79fg?e=59Qkqt

These documents are considered to be outside of the formal process with the MVLWB and will remain managed by the GMRP. Please contact Nicole Garbutt with the GMRP if any issues are encountered (Nicole.Garbutt@canada.ca or 669-2425).

The GMRP maintains a project email distribution list and periodically sends information and notifications to individuals on that list. If you would like to be removed from this list, please let the project team know by replying to this email.
