Re: MV2009L3-0005 Town of Hay River

After review of the above application the Northwest Territory Metis Nation has the following comment(s):

- Could we get a copy of the map that locates all of the SNP stations?
- Is the Town of Hay River going to allow for recycling to occur on the dump site?
- Will there be a report generated on the operations of the bio-pad that is within the dump site?

Should you require any further information please do not hesitate to contact the Interim Measures Agreement offices.
