Dear Mr. Makohoniuk:

**Re: 2017 Annual Water Licence Report – Revisions required
City of Yellowknife Municipal Water Licence MV2009L3-0007**

The Mackenzie Valley Land and Water Board (the Board) met on June 7, 2018 and reviewed the 2017 Annual Water Licence Report (2017 Annual Report), submitted to satisfy Part B, condition 3 and Schedule 1, condition 1 of municipal Water Licence (Licence) MV2009L3-0007.

The Board hereby requires the City to revise the 2017 Annual Report in accordance with reviewer comments and recommendations, for **resubmission by August 7, 2018**, for confirmation of conformity of revisions by Board staff. Version 2 shall include laboratory reports and tabular summaries of non-sewage wastes deposited in the Sewage Disposal Facilities in 2017, including the highlighting of any exceedances.

The Board reminds the City to include laboratory reports and tabular summaries of all non-sewage wastes deposited in the Sewage Disposal Facilities, as well as a discussion of work done with the Inspector regarding SNP exceedances in future annual reports. In addition, the Board encourages the City to discuss submission of the standard metadata template with GNWT-ENR.

The City shall adhere to the commitments made in their responses to reviewer comments dated May 7, 2018. The full cooperation of the City is anticipated and appreciated. If you have any questions or concerns, please contact Erica Janes at (867) 766-7466 or email ejanes@mvlwb.com.

Yours sincerely,
