Hello,

A meeting has been planned for interested parties to facilitate discussion of two City of Yellowknife submissions to the Board under their municipal Water Licence MV2009L3-0007, and the ongoing public review processes related to these submissions.

The following items will be on the agenda:

1. Stormwater Trend Analysis Proposal (currently [posted for review](#), and for discussion before the review period closes)
2. Fiddlers Lake Treatment System Plan V2 (to discuss next steps following the [review period](#))

If time allows, the City would also like to discuss disposal of lead paint at the Solid Waste Disposal Facilities.

The meeting is scheduled for **Tuesday, December 11<sup>th</sup> from 9:00 am - noon.**

Closer to that date, an revised agenda (if necessary) and logistical details will be sent to the distribution list. Call-in details for those who wish to join by phone will be provided upon request.

**Please let me know by November 29, 2018 if you/your organization plans to participate in the meeting,** so that meeting space can be planned accordingly.

Feel free to contact me if you have any questions.

Regards,  
Erica
