Dear Mr. Hawkes:

**Fiddler's Lake Treatment System Plan, Version 2 - Acknowledgement**  
**City of Yellowknife Municipal Water Licence MV2009L3-0007**

The Mackenzie Valley Land and Water Board (the Board) met on March 7, 2019 and reviewed Version 2 of the City of Yellowknife's (City) Fiddler's Lake Treatment System Plan, submitted under municipal Water Licence (Licence) MV2009L3-0007.

The Board hereby acknowledges the Fiddler's Lake Treatment System Plan Version 2, as submitted by the City, and acknowledges the outcomes of the December 11, 2018 meeting of parties.

The Board encourages the City to continue to participate in dialogue with Board staff and reviewers concerning ongoing and proposed research programs and results related to the Fiddler's Lake Treatment System, and looks forward to guidance that these may provide in future.

The Board anticipates the City's submission of a desludging plan for the Fiddler's Lake lagoon as part of the revised Sewage Disposal Facilities Operation and Maintenance Plan (Version 2), and the City's continued diligence in submitting quarterly SNP and annual reporting under their Licence, so that any resulting changes in lagoon treatment efficacy may be monitored.

The Board notes and appreciates the City's efforts to submit requirements in accordance with Licence MV2009L3-0007. The full cooperation of the City of Yellowknife is anticipated and appreciated. If you have any questions or concerns, please contact Erica Janes at (867) 766-7466 or email [ejanes@mvlwb.com](mailto:ejanes@mvlwb.com).

Yours sincerely,
