Distribution List

Dear Sir/Madam:

Work Plan Changes and Technical Session – City of Yellowknife, Water Licence Renewal

The Mackenzie Valley Land and Water Board (MVLWB or the Board) is currently processing four applications that require type A hearings. Due to the fact that these are all occurring at approximately the same time—which is causing difficulties associated with getting appropriate meeting space—some dates within the Work Plan have had to be changed. These are indicated in the attached revised Work Plan.

The first of these changes involves the technical session. This will now be held on **November 12, 2009** starting at 9:00 a.m. in the Garnet Room of the Yellowknife Inn. If you plan to use teleconference services, please contact me and I will help to arrange this. A draft agenda will be circulated shortly.

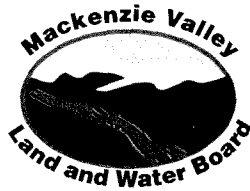

If you have any questions, feel free to call me at (867) 669-0506 or email lcarter@mvlwb.com.

Sincerely,

A handwritten signature in black ink that reads "Lynn Carter".

Lynn Carter,
Regulatory Officer
