**Surveillance Network Program – Surveillance Network Program (SNP) –
Clarification of Reporting Requirements - De Beers Canada Inc. – Snap
Lake Mine**

Annex A Part D: Reporting Requirements of the Licence requires that '*all data and information required by the Surveillance Network Program, including the results of the approved QA/QC program and any interpretive comments and calculations.*' be submitted Board staff are requesting that De Beers resubmit the September 2015 SNP Report to include an interpretation and discussion of results. Please submit the updated September SNP Report with the October SNP Report or earlier.

Board staff would also like to remind De Beers that interpretation and discussion of results are required for SNP data that is collected, including reports that contain toxicity results, for future SNP submissions.

If you have any questions or concerns, please contact me at (867) 766-7466 or email mcasas@mvlwb.com.

Yours sincerely,
