Hi Lynn,

I do not think we will have the capacity to participate further .
Our intervention should stand on its own.

Things could change if we had more staff and funding.... But it would take time.
We always try up to the very last minute, but frequently miss deadlines despite our best efforts.

Hi Sheryl –

Just checking in - NSMA submitted an intervention for the Town of Fort Smith public hearing but I have not heard anything from your organization since. Presentations for the hearing were due on Friday and the hearing is this Wednesday. Can you please let me know ASAP if I should have gotten a hearing presentation from you and also if you will/will not be attending the hearing.

Thanks,
Lynn
