Attachments: Fort Smith MVLWB July 5 2011 .pdf; Town of Fort Smith - Information on Landfill Capacity - July 5, 2011.pdf

For MV2011L3-0001 - to go up on registry today please

The one file "...July 5 2011" is a Technical Memorandum on Development of Effluent Criteria and should probably show up in the "consultation/Reviews" folder.

The other document "...Information on Landfill Capacity..." is part of the public hearing stuff

Thanks!
Lynn
