Dear Sirs and Mesdames:

Re: NTPC v. Carters - Taltson Compensation Re-Hearing Work Plan
File No.: 028268-0004

This is further to the work plan that was circulated by the Mackenzie Valley Land and Water Board ("MVLWB") on January 24, 2017, our e-mail in response to the work plan dated January 26, 2017, and the February 10, 2017 conference call between counsel for MVLWB and counsel for Northwest Territories Power Corporation ("NTPC"). We respectfully request that the MVLWB extend the deadline for when the Carter family (the "**Carters**") may submit their expert rebuttal reports to MVLWB and NTPC to February 17, 2017.

The reasons for the request for extension are outlined in our January 26, 2017 e-mail and included the fact that the work plan was provided only 3 days prior to the deadline for the Carters to submit their expert reports. Further, the Carters were unable to have their experts complete their reports until the issue of the appropriate scope of evidence was dealt with. The parties were unable to discuss this issue until our conference call on February 10, 2017.

Please find enclosed the following:

1. Report prepared by Dr. R.A. Bodaly dated February 16, 2017 in response to the Cambria Gordon report dated April 2012, and a copy of Dr. R.A. Bodaly's curriculum vitae;
2. Report prepared by Randy G. Popik dated February 16, 2017 in response to the report prepared by Odyssey Chartered Accountant & Advisor dated April 23, 2012.
