Attention: Shannon Allerston, Regulatory Officer
Board Members

Dear Sirs and Mesdames:

Re: NTPC v. Carters – Taltson Compensation Re-Hearing Agenda
File No.: 028268-0004

We are writing to request that the Mackenzie Valley Land and Water Board (Board) amend the Taltson Compensation Re-Hearing Agenda to permit the Carters to present their Opening Statement and Presentation first.

The purpose of the re-hearing is to decide the Carters' claim for compensation. The Board has already found that the Carters will be adversely impacted by the Northwest Territories Power Corporation's (NTPC) operations under the Licence and that the Carters are entitled to compensation. The hearing is not intended to re-open NTPC's application for a Licence. Justice Shaner only overturned the Board's decision as it related to the amount of compensation to be awarded to the Carters.

Justice Shaner held that the Board must provide the Carters with an opportunity to respond to the NTPC's submissions, dated April 23, 2012. The Carters' Opening Statement and Presentation respond to NTPC's submissions of April 23, 2012. Pursuant to the Board's Rules of Procedure, NTPC's participation in the hearing is intended to reply to the Carters' written submission.¹ It is unclear how NTPC will be able to reply to the Carters' Opening Statement and Presentation if the Carters present after NTPC.

We suggest that the following order for presentations would provide an appropriate compromise:

1. Carter Family Opening Statement
2. NTPC Opening Statement
3. Carter Family Presentation
4. NTPC Presentation
5. Carter Family Closing Remarks
6. NTPC Closing Remarks

We look forward to hearing from you regarding the foregoing.

Sincerely,
