Attention: Board Members

Dear Sirs and Mesdames:

Re: NPTC v. Carters – Taltson Compensation Re-Hearing
File No.: 028628-0004

We are writing further to the Mackenzie Valley Land and Water Board's direction to provide a written summary outlining the subject matter of Elder Boucher's presentation.

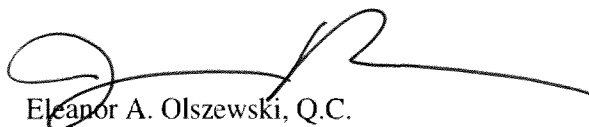

Elder Boucher will speak briefly regarding the ongoing and adverse impacts to Nonacho Lake, resulting from the Northwest Territories Power Corporation's continued operations. Specifically, Elder Boucher will share his personal observations regarding:

- changes to fish health in Nonacho Lake, including the effects of mercury;
- observations of shoreline erosion;
- changes to the aesthetic of the landscape; and,
- difficulties navigating on Nonacho Lake due to changing water levels.

We trust that you will find the foregoing to be in order.

Yours truly,

MLT AIKINS LLP
