Hello All. We object on behalf of NTPC to the filing of this letter and its consideration by the Board.

All matters referred to by Counsel in this letter could and should have been addressed long before today.

Further, no right of reply to NTPC was allowed in Sheldon's letter dated yesterday.

Counsel is aware I am travelling out of the office and that Sheldon advised the Board is meeting today to deal with final procedural matters. We are in no position to respond in a timely to the many and prejudicial irregularities this letter poses. Counsel surely is aware of that.

As such, to file this letter under these circumstances is completely inappropriate and disrespectful.

Regards, Doug
