Dear Ms. Potten:

Re: Harry Winston Diamonds Ltd. – Land Use Permit Application MV2012C009

The North Slave Métis Alliance (NSMA) has reviewed the above-noted Land Use Permit Application (the LUP Application) submitted by Harry Winston Diamonds Ltd. (Harry Winston).

In addition, representatives of the NSMA and Harry Winston met on January 21, 2013, at which time our questions regarding the proposed exploration program as described in the LUP Application were addressed.

The NSMA has no additional comments or concerns at this time, and recommends that the permit be granted, subject to the appropriate conditions as proposed.

Sincerely,

A handwritten signature in blue ink, which appears to read "Bill Enge".
