Hello Folks,

For the Harry Winston exploration program in the area south of Lac de Gras, the following contact information is being provided as per Condition 7 of the Land Use Permit. Exploration activities will commence on March 19th, 2013 with the start of the camp build. We anticipate camp completion within 10-14 days and starting of the RC drill program.

Aurora Geosciences Ltd. will be conducting the exploration on behalf of Harry Winston Diamonds.

Persons In Charge

Project Manager – Chris Hrkac cahconsulting@gmail.com
Alternate – Gary Vivian gary.vivian@aurorageosciences.com

Project Geologist – John Law john.law@aurorageosciences.com

The primary onsite contact for the field operation will be our Yellowknife office. (867) 920-2729
At present we will assign an Iridium sat-phone number for camp which will be 8816-224-68768

Any changes in personnel or contact information will be transmitted immediately.

Let me know if you need any further information.

Best Regards,

Robin Wyllie, P.Geol.
