Dear Mr. Anderson:

**Land Use Permit – 1<sup>st</sup> Request for Final Plan**  
**Mining Exploration - Mac Property**

According to the records in the Mackenzie Valley Land and Water Board (MVLWB or the Board) office, Land Use Permit MV2012C0018 expired on August 29, 2017. Restoration, clean up, and removal of equipment, materials, buildings, etc. must now be completed.

No further extensions to the term of this Permit can be considered under subsection 26(6) of the Mackenzie Valley Land Use Regulations (MVLUR).

A final plan shall be submitted to the Board within sixty (60) days of the expiry of a Permit, as per section 29 of the MVLUR. A final plan should include:

1. A map, normally at a scale of 1:50,000, showing your location, area, and distances of all land-use operations. Sketches are acceptable, but all maps must have the north indicator, scale, and coordinates clearly marked;
2. A summary of the hectares utilized in each aspect of the land-use operation; and
3. A calculation of land use fees.

Upon receipt of your final plan, an inspector will conduct a final inspection and the MVLWB will review your file prior to initiate closure of this Permit.

If you have any questions or concerns regarding this letter, please contact me at (867) 766-7454 or email [elaine@mvlwb.com](mailto:elaine@mvlwb.com).

Yours sincerely,

A handwritten signature in cursive script that reads "Elaine Briere".
