Good morning Kyle,

Here is the final plan for MV2012J0017 – Redbed Resources. Their new application is going to the Board on the 29th of August. I would like to take this file to the Board as well.

Please let me know if recommendation for closure will be coming.

Thanks

Good afternoon Jim,

As discussed, you will see a template letter attached that you can use as an example to follow or use however you wish. I have calculated the fees out and the numbers in the letter are the correct numbers. When you do submit the letter please ensure that the map is also in the email.

If you have any questions, please feel free to contact me and I will do what I can to help from this side.

Thanks again,

Tyree
