Dear Mr. Paradis:

**Type B Water Licence Application Complete – Roaster Complex
Deconstruction and Underground Stabilization, Giant Mine, NT**

Your application for a Water Licence was received on December 19, 2012. The Mackenzie Valley Land and Water Board (MVLWB) and staff will be processing your application in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA) and the *Northwest Territories Waters Act* (NWTWA).

Following review of the application, and confirmation that the activities can be processed in accordance with section 119(b) of the MVRMA, the MVLWB will take one of the following actions:

1. Issue a Type B licence, subject to any conditions included pursuant to section 15 of the NWTWA;
2. Order, pursuant to subsection 24(1) of the MVRMA and/or section 21 of the NWTWA, that a hearing be held or further studies or investigations be made respecting the waters proposed to be used in the operation; or
3. Where a requirement set out in section 61 or 62 of the MVRMA has not been met, refuse to issue a licence.

If you have any questions or concerns, please contact me at (867) 766-7461 or email lboettger@mvlwb.com.

Yours sincerely,
