Thanks Lynn. Would you kindly advise whether there have been any previous attempts to use section 119 of the Mackenzie Valley Resource Management Act to exempt parts of development from an ongoing environmental assessment? Does the Mackenzie Valley Land and Water Board have any policy or guidance around the use of section 119?

Hello All –

Please see this new type B water licence application from AANDC-CARD for your review and comment. The application can be found on our website under “Items for Review”, AANDC-CARD. **There are several pdfs here which form this application – please be sure to review them all.**

Your comments should be submitted using the attached excel work sheet by **5:00 pm on Friday February 15, 2013**. A draft of the licence conditions has been prepared (attached) to assist in your review of this application. Please see the attached letter for further details on this review.

If you have any questions or concerns, please contact me.

Thanks,

Lynn
