Dear Mr. Christensen:

Type B Water Licence Application – Roaster Complex Deconstruction and Underground Stabilization, Giant Mine, NT

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received an application for a Type B Water Licence (WL) on December 19, 2012 from Aboriginal Affairs and Northern Development Canada-Contaminants and Remediation Directorate (AANDC-CARD). This WL application is for the deconstruction of the roaster complex and stabilization of the underground at Giant Mine, NT. To access the WL application on our website, please go to www.mvlwb.com under "Items for Review", AANDC-CARD.

These activities are part of environmental assessment EA0809-001 which is currently not complete. The Applicant has requested that the Board, in accordance with section 119(b) of the *Mackenzie Valley Resource Management Act* (MVRMA), proceed to the licensing phase for these two activities. The Board is seeking any comment that the Review Board may have on this request. Please submit your comments to Board staff by **February 15, 2012** at or before **5 p.m.**

If you have any questions or concerns please contact me at (867) 766-7457 or email zabey@mvlwb.com, or Regulatory Officer Lynn Boettger at (867) 766-7461 or email lboettger@mvlwb.com.

Yours sincerely,
