Adrian

On May 21, 2013 AANDC committed to provide a number of documents to Alternatives North in its response to our comment #29 on the Submittals--Giant Mine Roaster Complex Deconstruction. We would also like a full copy (not just the abstract) of the Lewis et al. (2011) paper referenced in the memo by Arcadis. Can you let us know when AANDC intends to provide these documents to us? We would appreciate receiving them as soon as possible. Thanks.

By copy of this e-mail, we ask that the MVLWB post this e-mail to the public registry for MV2012L8-0010. Thank you.
