Clint / Tyree,

We have confirmed that the air monitoring program is operational and deconstruction of the roaster will start on **Monday June 24**. The air program includes the roaster, fenceline and community stations. I have included the locations for the community stations below for your reference. Let me know if you have any questions / concerns.

Yellowknife Cruising Club (Moving to Outcrop East of Curling Rink by Mid-September):

62°29'17.27"N
114°21'29.44"W

N'Dilo (Permanent Site, Temporary Structure)

62°28'31.67"N
114°20'18.15"W

NAPS (Moving to Moyle Park by Mid-September)

62°27'7.46"N
114°21'50.63"W
