Hello Robert, Nathen and Paul,

We have one outstanding item for the New Discovery Mines Ltd. LUP and WL applications for which we are requesting clarification:

1. Security Estimate:

Please clarify if the security estimate you submitted covers the entire liability on site, or if it is specifically for water-related liability. If it is meant to cover the whole site, please provide a breakdown of what portion is land related liability and what portion is water related liability.

We are hoping that you can respond to these items before noon this Friday (June 20, 2014).

Thanks

Jen

Permits – please post to MV2013C0021 and MV2014L2-0002 – New Discovery Mines Ltd – clarification on application
