Miki
If I did not already invite MVLWB to attend the meeting tomorrow I am now and I have to submit the names of those attending by noon today.

We are meeting with GNWT Ministers of ITI and Lands to talk about the land use permitting and the tourism lodges and outfitters

Why some lodges have been required to get permits at this time and what are the implications for other lodges in the future?

What has changed with devolution? Implications for the Super Board and Tourism ?

Please reply
