My questions are why have some lodges been targeted? I did not look through the documents that you are sending me now and decide that I needed a land use permit

Hi Gary,

Here is some information on the triggers for a Land Use Permit and a Water Licence – please follow the links to see the documents that I refer to.

The [Guide to Completing a Land Use Permit Application](#) – page 9–11 summarize the triggers for a Land Use Permit. This table is based on section 4 and 5 of the [Mackenzie Valley Land Use Regulations](#)

For Water Licences , the triggers for a lodge can be found on page 10 of the [Guide to Completing a Water Licence Application](#). These are taken from the [Waters Regulations](#), Schedule F, section 3.b.

I hope your meeting tomorrow is constructive. I will continue to work on responding to the questions you have sent me.

Miki
