Dear Ms. Mullaney:

RE: LUPA MV2013L0015 – NorthwTel Inc.
Type of Operation: Communication/Microwave Towers (4)
Location: Paterson, Brown, MacKay & Courageous Lakes

Aboriginal Affairs and Northern Development Canada (AANDC) reviewed Land Use Permit Application MV2013L0015 and recommend that the permit be granted.

On September 4, 2013, our Inspector, Clint Ambrose, uploaded his comments and recommendations as well as recommended draft conditions via the LWB Online review System.

Comments received from Land Administration indicate that NorthwTel Inc. also hold leases at these 4 sites, and therefore have no concerns.

Thank you for the opportunity to comment on this application. Should you have any questions or concerns regarding our comments, please contact our Inspectors, Clint Ambrose at (867) 669-2794 or Nahum Lee at (867) 669-2757.

Sincerely,

Scott Stewart
